

Notice of Investment in JAXA Startup “Penetrator”

SKY Perfect JSAT Corporation (Head Office: Minato-ku, Tokyo; Representative Director, President & CEO: Eiichi Yonekura; “SKY Perfect JSAT”) has made an investment in Penetrator Inc. (Head Office: Bunkyo-ku, Tokyo; Founder CEO: Takeo Akutsu; “Penetrator”).

Penetrator is a JAXA startup that supports real estate transactions from space. This investment aims to create new value in the real estate industry and drive the development of innovative services that offer differentiated property data.

SKY Perfect JSAT, in collaboration with Penetrator, seeks to address challenges in the real estate business, enhance the utilization and sales collaboration of satellite data, and expand the satellite data business in the private sector.

* Press Release on April 2, 2025: Business Partnership with Penetrator

SPACE STARTUP CONNECT
2024

Content of this news release is part of SKY Perfect JSAT’s ongoing efforts to collaborate with space-related startups both in Japan and internationally. By combining SKY Perfect JSAT’s expertise and assets in satellite business with the innovative technologies brought by startups, we aim to co-create new space businesses that contribute to a sustainable future.
