SKY Perfect JSAT Corporation

Notification of Organizational and Personnel Changes

SKY Perfect JSAT Corporation (Head Office: Minato-ku, Tokyo; President & CEO: Masanori Akiyama) today announced organizational and personnel changes effective from April 1, 2009. These changes are aimed at improving management efficiency and promoting optimal allocation of human resources. Details are as follows.

1. Organizational Changes

On March 4, 2009 the Company announced changes to its organizational structure, namely the elimination and consolidation certain groups and divisions with a view to expedite management decision-making by flattening hierarchies. To the same end, the Company will also consolidate its current 63 departments into 42 divisions. The major changes from the current organizational structure are as follows.

■ Corporate Planning & Strategy Group

- The Group Strategy Planning Division will be newly established mainly to oversee Group-wide strategic planning for the SKY Perfect JSAT Group (including formulation of medium-term management plans) as well as planning of various business strategies for SKY Perfect JSAT Corporation.
- The Corporate Planning & Strategy Division will combine with the Corporate Management Department to form the Corporate Planning Division.
- The Human Resource Department and the Human Resource Administration & Support Department will combine to form the Human Resource Division
- The SKY Perfect JSAT Group's investor relations functions will be added to the responsibilities of the Corporate Communications Dept. , which will become the Corporate Communications & Investor Relations Division
- The Information Systems Department under the Corporate Coordination Group will come under the direction of the Corporate Planning & Strategy Group.

■ Corporate Services Group

- A Planning & Coordination Division will be newly formed to take over the functions of the former Group Planning & Coordination Department.
- The Purchase Administration Department under the former Corporate Planning & Strategy Group will come under the direction of the Corporate Services Group, and will be renamed the Purchase Administration Division
- The Legal Department and the Credit Department will be combined to form the Legal & Credit Division.
- The Finance Department, the Accounting Department for Broadcasting Business and the Accounting Department for Satellite Communication Business will be combined to form the Finance & Accounting Division.

■ Broadcasting Business Group

- A Planning & Coordination Division will be formed to take over the functions of the former Group Planning & Coordination Department, and incorporate and enhance the functions of the Broadcasting Business Administration Dept. and the Content

Administrative Department

- The Broadcasting Business Department and the Media Marketing Department will combine to form the Broadcasting Business Division.
-

■ Marketing Group

- A Planning & Coordination Division will be formed to take over the functions of the former Group Planning & Coordination Department, and incorporate and enhance the functions of the Marketing Administrative Department
- The Advertising & Promotion Department and the Internet & Mobile Communications Department will combine and incorporate certain functions of the Customer Service Department to form the Advertising & Promotion Division
- The Sales Planning Department and the Market Research Department will combine to form the Marketing Planning Division.
- The Logistics Service Department, New Service Development Department and the Program Information Service Department will combine to form the Logistics & Service Development Division.

■ Satellite Business Group

The new business development functions of the Corporate Planning & Strategy Division will be incorporated into the Group Planning & Coordination Department to form a Planning & Coordination Division.

- Enterprise Business Department I and Enterprise Business Department II will combine to form the Enterprise Business Division.
- The Government Sectors Business Department and the Defense Network Department will combine to form the Government Sectors Business Division.
- The Global Business Department and the Mobile Network Department will combine to form the Global & Mobile Business Division.

■ Engineering and Operations Group

- The Group Planning & Coordination Department and the Satellite Planning & Engineering Department will combine to form the Planning & Coordination Division.
- The Network Operations Department and the Service Operations Department will combine to form the Service Operations Division.
- The Communications Systems Engineering Department and the Services Systems Engineering Department will combine to form the Communications Engineering Division.
- The Platform Systems Department and the Information Technology Department will combine to form the Platform Systems Division.
- The Platform Systems Department will be renamed the System Engineering Division.
- The Ground Systems Department, the Administration Department and the Facility Management Department will combine to form the Facilities Management & Administration Division.
