SKY Perfect JSAT Corporation

Start of Providing “SKY PerfectTV! On-Demand,” which is the broadcast-linked video-on-demand service for TV

SKY Perfect JSAT Corporation (Head Office: Minato-ku, Tokyo; Representative Director, President& Chief Executive Officer: Shinji Takada) will start of providing “SKY PerfectTV! On-Demand,” (hereinafter called “this service”) which is the broadcast-linked video-on-demand service for TV on February 1, 2012.

This service is video-on-demand service for a multimedia device which enables customers to enjoy the contents of SKY PerfectTV! anywhere anytime with various terminals, such as TV, PCs, tablet devices, and smartphones, under the concept “Buy Once Watch Anywhere.” SKY Perfect JSAT has expanded its service step by step since it started this service in October of last year.

Once the distribution for TV is started users will become able to receive the video-on-demand (VOD) service with a SKY PerfectTV! HD-compatible tuner and digital TV in addition to PCs, smartphones, and tablet devices.

We also plan to expand its contents and distribute a total of 27 channels, including the currently available 13 channels, as of February 1, and over 30 channels by March of this year.

SKY Perfect JSAT will keep offering a variety of high-quality movie contents, develop the viewing environment for allowing customers to enjoy SKY PerfectTV! easily, and further improve the attractive features of SKY PerfectTV!
