SKY Perfect JSAT Corporation

### **NYK CRUISES' passenger ship Asuka II selects SKY Perfect JSAT's brand new maritime broadband service "OceanBB plus"**

SKY Perfect JSAT Corporation (Head Office: Minato-ku, Tokyo; Representative Director, President & Chief Executive Office: Shinji Takada; SJC) announced today that NYK CRUISES CO.,LTD. (Head Office: Yokohama-shi, Kanagawa; President: Hiroshi Hattori; NYKC) has introduced SJC's maritime broadband service "OceanBB plus" to Asuka II\*1.

NYKC has been providing onboard internet connection service "Asuka II Wi-Fi Service" to its passengers since 2015. "OceanBB plus" is the next-generation maritime

solution of SJC's "OceanBB" service. Koki Koyama, Senior Managing Executive Officer of SJC said "We are very pleased to welcome NYKC as our very first user of "OceanBB plus". SJC will continue to provide the highest-quality services to meet Asuka II passengers' satisfaction." By this introduction, "Asuka II Wi-Fi Service" will be available in much wider ocean regions with speeds as fast as 10Mbps (shore-to-ship) and 3Mbps (ship-to-shore), making passengers' onboard internet experience more comfortable and enjoyable.

\*1 ASUKA II: Largest Japanese flagged cruise ship owned and operated by NYKC.

Registry: Yokohama, Gross tonnage: 50,142GT, Length: 241m, Passengers: 872, Crew: 470, Cabins: 436.
