Regarding the aid for the disaster areas of the earthquake in the Pacific Ocean off the Tohoku region

We would like to express our condolence to the victims of the earthquake in the Pacific Ocean off the Tohoku region.

An extremely broad area was damaged considerably, and we are mourning the loss of lives due to this disaster and praying for bereaved relatives.

SKY Perfect JSAT Group announced that it decided to donate 50 million yen for aiding victims and restoring the devastated area.

We again would like to extend our condolence to the victims of this earthquake and hope that the suffered area will be restored soon.
