Notice regarding scheduled date of announcement of consolidated results for the financial year ended March 2017

On May 9, the Company released the "Notice regarding the postponement for announcement of consolidated results for the financial year ended March 2017." Afterwards, we confirmed the facts regarding a portion of purchases at an event held by a consolidated subsidiary of the Company, confirmed the appropriateness of the expenditures, and then reported the results of findings to the Board of Directors at the Company. After finalizing the details of accounting processing at the Company and other elements of financial statements, and expecting that we will receive an audit report from accounting auditors at the Company, we plan on announcing consolidated results as listed below.

The Company sincerely apologizes for any inconvenience that may be caused to shareholders, investors, and other stakeholders.
