Space Communications Corporation

**SKY Perfect JSAT Corporation's Acquisition of
Space Communications Corporation Shares**

Space Communications Corporation(Shinagawa-ku,Tokyo;Masuyuki Annen,CEO;"SCC") announces that, on February 13 2008,all twenty eight(28)shareholders of SCC agreed with SKY Perfect JSAT Corporation(Minato-ku,Tokyo;Masao Nito,President and Representative Director;"SKY Perfect JSAT")that SKY Perfect JSAT purchases whole shares of SCC.

On closing of the transaction scheduled on March 31,2008,SCC will become a subsidiary of SKY Perfect JSAT.

Recently, the competition between satellite operators and ground telecommunications carriers has become increasingly fierce and the broadcast and communications industry has undergone consolidation. By joining SKY Perfect JSAT group, SCC will enhance its competitive advantage in the industry. Also, SCC will adhere to provide stable and continuing service as before.
